

## WICHITA SHRINERS STOP OFF HERE ON WAY TO PORTLAND

**HAND OF 30 PIECES ACCOMPANIES  
NOBLES TO PACIFIC  
COAST.**

Members of the Wichita Falls Shrine Club and their fifty piece band paraded in the streets of Amarillo shortly after noon yesterday following their arrival here over the Fort Worth & Denver on a special train. Besides furnishing music for the march, the band rendered a number of selections at the intersection of Polk and Sixth streets. In addition to the band, about 150 Shriners and members of their families were here. The members of the band wore uniforms with the words "Wichita Falls Shrine Club" in large red letters across the backs of the blouses. They also wore the customary fez caps, most of them being from Madras temple.

The Wichita Shriners are on their way to Portland, Oregon, to attend the Imperial Council, and expect to bring back with them a dispensation for a Shrine temple for their city. They occupy seven Pullman cars and an eighth car is filled with nobles from Austin, also going to Portland.

Relative to the prospects for securing a dispensation for a Shrine at Wichita Falls, a member of the delegation declared it to be a foregone conclusion, and volunteered to send a delegation to Amarillo to assist in the initiation of this city's first class. He also expressed his hope and belief that Amarillo would secure a dispensation, saying that Wichita Falls is friendly toward the Queen City of the Panhandle.

## SKILLMAN MAILES REPORT OF TWO TERMS OF COURT

Forty-four indictments were returned by the grand jury during the March and May terms of the district court, according to the report of District Clerk J. C. Skillman to the attorney general for endorsement. During the term, twenty criminal cases were tried with a result of 14 convictions, 6 acquittals and 24 dismissals. The report also shows that 12 civil cases were disposed of and notice of appeal given in eight cases.

The total number of years meted out to be served in the state prison is 25. The crimes for which defendants were convicted show 6 thefts, two for attempt to commit robbery, one for robbery, one for burglary, one for forgery and one for embezzlement. Fines imposed amounted to \$425; fines remitted, \$172; fines collected, \$100. One bond of \$300 was forfeited and collected.

## AMPLE HOUSING NEEDED FOR SCHOOL TEACHERS

Some of the public school teachers are finding it difficult to get suitable rooms at reasonable rates in the neighborhood of the several schools where they are teaching. Those who have rooms to rent are again asked to phone Mrs. J. M. Delzell at No. 807.

If the teachers are to do satisfactory work, it is said, they must be cared for and the people of Amarillo should not expect their children to receive first class instruction, if they are unwilling to take the teachers into their homes and properly care for them. The board of trustees state that they have a fine teaching force for next year, but that there is danger of losing several unless the people are more responsive in opening up their homes. A number of the best teachers in the schools are now threatening to leave because they cannot find suitable room and board, it is reported.

## JONES WILL SPEAK AT OLTON BARBECUE

Congressman Marvin Jones will be one of the principal speakers at a big barbecue to be held at Olton, county seat of Lamb county, June 24. Other speakers will be Burke Mathes, Chief Hatcher, Carlos Clements, Senator Hedges, Colonel Tilson and G. M. Abernathy.

Listed among the amusements scheduled for the day are broncho busting, goat roping, potato races, foot races, fat man's race, high jumping and a baseball game. Music will be furnished by a band.

## Deaths and Burials

**McNabb**—Funeral services for Mrs. Anna McNabb, aged 81 years, will be held at the residence of her daughter, Mrs. Shields, at Vega, this afternoon. Mrs. McNabb died at the home of Mrs. Shields Tuesday afternoon. The funeral will be directed by N. S. Griggs undertaker.

**Bogard**—Funeral services for Patrick Bogard, the three months old son of Mr. and Mrs. J. A. Bogard, 1408 West Eighth street, who died Wednesday afternoon at 2:30 o'clock, were conducted at the home yesterday afternoon at 4 o'clock. Rev. H. P. Brooke, pastor of the Polk Street Methodist church, officiated. Burial was in Llano cemetery.

## FOUR PERSONS FINED IN CORPORATION COURT

Four cases were disposed of in the Corporation court by Judge E. A. McKinnon yesterday morning, two being fined for drunkenness, one for assault and one for parking in the street.

## SCHOOL PROBLEMS ARE DISCUSSED AT ROTARY LUNCHEON

**MRS. PHEBE WARNER OF CLAUDE  
TELLS HOW THEY AFFECT  
BOYS.**

School problems, especially those of feeding boys, were discussed at the Rotary Club luncheon at the Amarillo Hotel yesterday noon by Mrs. Phebe K. Warner of Claude. She pointed out some of the weaknesses of the present school system and of how they made for depraved boys.

Mrs. Warner declared that the high wages offered boys in industry caused many to quit school. By going to work they are enabled to get funds with which to have a good time and "keep up the pace," according to the speaker. She also declared that the common school curriculum does not fit in with the natural life of the average boy, it being too abstract and he being required to do many things against his nature.

The speaker continued by stating that many boys become discouraged because of the many that drop out, leaving so few in school. She said that boys did not want to go to school and find that nearly all the members of their classes are girls. She said that Amarillo with 19 boy graduates compared to 35 girl graduates ranked the highest in the Panhandle, and complimented the city on a record so far beyond those of other cities in this section.

Federal Judge James C. Wilson was called upon for a few remarks. He referred to portions of Mrs. Warner's address, declaring that more persons coming before his court on criminal charges were men of education, who felt they were forced to do wrong because of money needed to support their families, many of whom possibly were too extravagant.

R. L. Quigley of the Burroughs Adding Machine Company was in charge of the program. Bradley D. Kimbrough gave a good number, and Mrs. J. L. Williams played a piano solo.

## UNION LAUNDRY MACHINERY TO BE MOST MODERN THAT IS MADE, STATES MANAGER

An machinery that will be used in the new union laundry here will be the most modern there is, according to S. R. Van Buren, general manager. He said the machinery was ordered especially for the Clovis Union Laundry from the American Laundry Machinery Company, and that it had never been taken out of the shipping crates.

The laundry will also have a dry cleaning and hat renovating establishment as well, the directors having recently decided to add these departments. In order to make room for them, it will be necessary to construct another building 20 by 35 feet.

Four motors have been ordered from the Westinghouse people, and all machinery will be operated by electricity. Mr. Van Buren said that the machinery "cannot be equaled or duplicated in the Panhandle of Texas for months to come" because of it taking at least six months to get orders filled by the manufacturers.

## VOLUNTEERS OF AMERICA WILL CHANGE OFFICERS

The Volunteers of America will change officers for their work at Amarillo. Captain and Mrs. Bailey, who have built up the organization in Amarillo, will take up special work for district headquarters, working in Kansas and Oklahoma, while Staff Captain and Mrs. M. M. Alden will assume charge of the work in the Panhandle, with headquarters in Amarillo.

Staff Captain and Mrs. Alden are workers of long experience, the Staff Captain graduating from the volunteer training school at Chicago years ago, and doing his early Christian work in the movement. For ten years past, the staff captain has been a member of the Oklahoma conference of the Methodist Episcopal church, holding churches at Oklahoma City, Guthrie and elsewhere in the state. He has resigned his present pastorate and will re-enter work with the Volunteers of America and assume charge of the work at Amarillo about July 1.

**Crossett Makes High Score.**  
Crossett made the highest score in Wednesday's shoot of the Amarillo Gun Club with a score of 46. Dyon followed a close second with 45 and Davis crowded third with 34. Others were Walker, 32, and Perrett, 42. Each participant took fifty shots each.

## GUN CLUB MEMBERS PLAN JULY FOURTH SHOOT WITH DINNER

Members of the Amarillo Gun Club will hold a shoot at the Gun Club grounds northwest of the city July 4 at 2:30 o'clock in the afternoon, from 25 to 35 participating in the contest. The shoot will be governed by the American Trapshooters' Association rules and all contestants must shoot through the entire program to gain an interest in the added money. Professionals may shoot for targets only. Two Western traps and White Rock targets will be used.

The Monte Carlo handicap system will be used for the division of the moneys, which will be three purses of \$40, \$35 and \$25. There will be six events of 25 targets each, carrying \$8 added money to each event. An entrance fee of \$1.50 for each event will be charged participants, and their targets for each event will be 75 cents.

Walter Crossett, field director, announced yesterday that no one will be barred from participating in the contest, and it is expected that a number of out-of-town shooters will be here for the occasion. The general public also is invited to attend the shoot as visitors.

Before the opening of the shoot, a practice event of 25 targets for each contestant will be staged, and the only additional cost to the contestant will be the cost of the targets used.

Lunch will be served on the ground to the contestants during the shoot. The officers of the club are: Dr. R. M. Walker, president; Sam R. Vaughn, secretary; D. P. Sney, treasurer, and Walter Crossett, field director.

## SMALL BOY INJURED WHEN HIT BY TRUCK

James Sergeant, a 12-year-old boy, was run over by a Dodge delivery car of the Russell & Cockrell Printing Company at the intersection of Polk and Fifth Streets Wednesday afternoon, bruising his knee and arm, but it is believed that he is not seriously injured. The boy, who is delivery boy for The Vogue, was on his bicycle at the time of the accident, and explained that he got in the way of the truck when he dodged to escape being run over by another automobile.

It is estimated that a difference of one inch in the rainfall occurring in July in the six chief corn-growing states makes a difference of more than \$300,000,000 in the value of the corn crop.

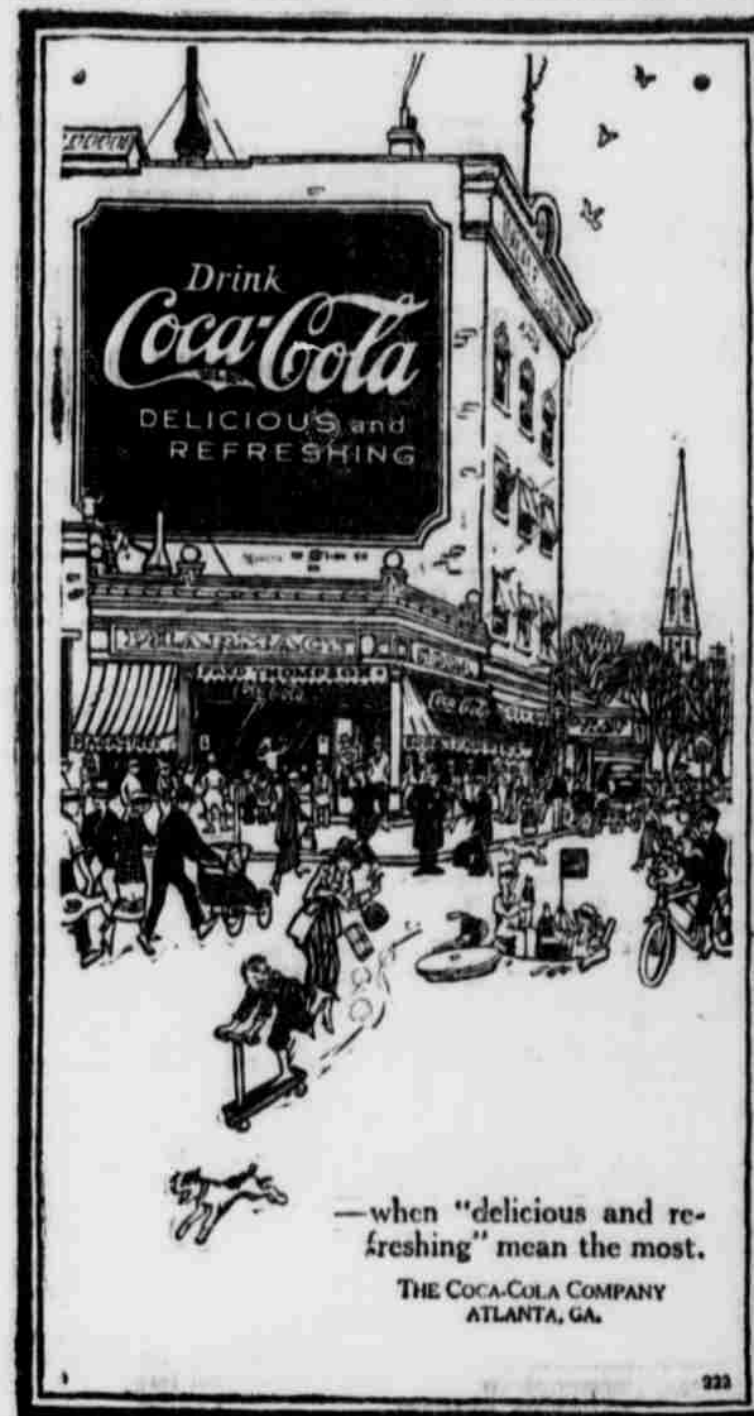

If you have the itch, don't scratch. It does not cure the trouble and makes the skin bleed. Apply **BALLARD'S SNOW LINIMENT**. Rub it in gently on the affected parts. It relieves itching instantly and a few applications removes the cause thus performing a permanent cure. Sold by All Druggists. 25c

## MEMBERS OF TROOP "B" TO HOLD ANNUAL BANQUET HERE SOON

Members of old "B" Troop, 1st Texas Cavalry will hold the second annual banquet within the next few weeks, according to a recent announcement. The banquet is given periodically by the members in an effort to keep the old personnel intact, so far as is possible. Definite arrangements will be made within the next few days, and the date for the affair set.

Members are urged to communicate with either Clyde Gint, at One's Cigar Store or Grover C. Malone, at the Blackburn-Malone Undertaking parlors during the week, so that complete arrangements may be made.
